**RHYBUDD**

Mae gwaith coedwig sylweddol yn digwydd mewn sawl lleoliad yng nghoedwigoedd Crychan a Halfway. Pwrpas y gwaith hwn yw cwmpo llarwydd fel rhan o'r rhaglen reoli clefyd. Bydd natur ddi-dor y gweithgareddau hyn, y mae cyfngiadau amgylcheddol yn effeithio arnynt, yn golygu y bydd llwybrau'n cael eu cau ar fyr rybudd.

**Erech diogelwch personol, dylech uffuddhau i'r holl hysbysebion gwahardd. Mae gwaith cwmpo coed yn beryglus.**

### WARNING

Extensive forest operations are taking place at several locations throughout Crychan & Halfway forests.

This is to fell larch as part of the disease control programme. The fluid nature of these operations, affected by environmental constraints, will mean trails will be closed at short notice.

**For your own safety, please obey all prohibition notices.**

**Tree felling is dangerous.**
